

## § 250.54

## 7 CFR Ch. II (1–1–09 Edition)

(b) *Required contract provisions in cost-reimbursable contracts.* A cost-reimbursable contract must include the same provisions as those required for a fixed-price contract in paragraph (a) of this section. Such provisions must also be included in procurement documents. However, a cost-reimbursable contract must also contain a statement that the food service management company will ensure that its system of inventory management will not result in the recipient agency being charged for donated foods.

### § 250.54 Recordkeeping and reviews.

(a) *Recordkeeping requirements for the recipient agency.* The recipient agency must maintain the following records relating to the use of donated foods in its contract with the food service management company:

(1) The donated foods and processed end products received and provided to the food service management company for use in the recipient agency's food service;

(2) Documentation that the food service management company has credited it for the value of all donated foods received for use in the recipient agency's food service in the school or fiscal year, including, in accordance with the requirements in § 250.51(a), the value of donated foods contained in processed end products; and

(3) The actual donated food values used in crediting.

(b) *Recordkeeping requirements for the food service management company.* The food service management company must maintain the following records relating to the use of donated foods in its contract with the recipient agency:

(1) The donated foods and processed end products received from, or on behalf of, the recipient agency, for use in the recipient agency's food service;

(2) Documentation that it has credited the recipient agency for the value of all donated foods received for use in the recipient agency's food service in the school or fiscal year, including, in accordance with the requirements in § 250.51(a), the value of donated foods contained in processed end products; and

(3) Documentation of its procurement of processed end products on behalf of the recipient agency, as applicable.

(c) *Review requirements for the recipient agency.* The recipient agency must ensure that the food service management company is in compliance with the requirements of this part through its monitoring of the food service operation, as required in 7 CFR parts 210, 225, or 226, as applicable. The recipient agency must also conduct a reconciliation at least annually (and upon termination of the contract) to ensure that the food service management company has credited it for the value of all donated foods received for use in the recipient agency's food service in the school or fiscal year, including, in accordance with the requirements in § 250.51(a), the value of donated foods contained in processed end products.

(d) *Departmental reviews of food service management companies.* The Department may conduct reviews of food service management company operations, as necessary, to ensure compliance with the requirements of this part with respect to the use and management of donated foods.

### Subpart E—National School Lunch Program (NSLP) and Other Child Nutrition Programs

SOURCE: 73 FR 46185, Aug. 8, 2008, unless otherwise noted.

### § 250.56 Provision of donated foods in NSLP.

(a) *Distribution of donated foods in NSLP.* The Department provides donated foods in NSLP to distributing agencies. Distributing agencies provide donated foods to school food authorities that participate in NSLP for use in serving nutritious lunches or other meals to schoolchildren in their non-profit school food service. The distributing agency must confirm the participation of school food authorities in NSLP with the State administering agency (if different from the distributing agency). In addition to requirements in this part relating to donated foods, distributing agencies and school food authorities in NSLP must adhere to Federal regulations in 7 CFR part 210, as applicable.

(b) *Types of donated foods distributed.* The Department purchases a wide variety of foods for distribution in NSLP each school year. A list of available foods is posted on the FNS Web site, for access by distributing agencies and school food authorities. In addition to Section 6 foods (42 U.S.C. 1755) as described in paragraph (c) of this section, the distributing agency may also receive Section 14 donated foods (42 U.S.C. 1762(a)), and donated foods under Section 32 (7 U.S.C. 612c), Section 416 (7 U.S.C. 1431), or Section 709 (7 U.S.C. 1446a-1), as available.

(c) *National per-meal value of donated foods.* For each school year, the distributing agency receives, at a minimum, the national per-meal value of donated foods, as established by Section 6(c) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1755(c)), multiplied by the number of reimbursable lunches served in the State in the previous school year. The donated foods provided in this manner are referred to as Section 6 foods, or entitlement foods. The national per-meal value is adjusted each year to reflect changes in the Bureau of Labor Statistic's Producer Price Index for Foods Used in Schools and Institutions, in accordance with the Richard B. Russell National School Lunch Act. The adjusted value is published in a notice in the FEDERAL REGISTER in July of each year. Reimbursable lunches are those that meet the nutritional standards established in 7 CFR part 210, and that are reported to FNS, in accordance with the requirements in that part.

(d) *Donated food values used to credit distributing agency entitlement levels.* FNS uses the average price (cost per pound) for USDA purchases of donated food made in a contract period to credit distributing agency entitlement levels.

(e) *Cash in lieu of donated foods.* States that phased out their food distribution facilities prior to July 1, 1974, are permitted to choose to receive cash in lieu of the donated foods to which they would be entitled in NSLP, in accordance with the Richard B. Russell National School Lunch Act (42 U.S.C. 1765) and with 7 CFR part 240.

#### § 250.57 Commodity schools.

(a) *Categorization of commodity schools.* Commodity schools are schools that operate a nonprofit school food service in accordance with 7 CFR part 210, but receive additional donated food assistance rather than the general cash payment available to them under Section 4 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753). In addition to requirements in this part relating to donated foods, commodity schools must adhere to Federal regulations in 7 CFR part 210, as applicable.

(b) *Value of donated foods for commodity schools.* For participating commodity schools, the distributing agency receives donated foods valued at the sum of the national per-meal value and the value of the general cash payment available to it under Section 4 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753), multiplied by the number of reimbursable lunches served by commodity schools in the previous school year. From the total value of donated food assistance for which it is eligible, a commodity school may elect to receive up to 5 cents per meal in cash to cover processing and handling expenses related to the use of donated foods. In addition to Section 6 and Section 14 foods under the Richard B. Russell National School Lunch Act (42 U.S.C. 1755 and 1762(a)), the distributing agency may also receive donated foods under Section 32 (7 U.S.C. 612c), Section 416 (7 U.S.C. 1431), or Section 709 (7 U.S.C. 1446a-1), as available, for commodity schools.

#### § 250.58 Ordering donated foods and their provision to school food authorities.

(a) *Ordering and distribution of donated foods.* The distributing agency orders donated foods through a Web-based system called the Electronic Commodity Ordering System (ECOS). Through ECOS, the distributing agency places orders directly into a centralized computer system. Before submitting orders for donated foods to FNS, the distributing agency must ensure that all school food authorities are aware of the full list of available donated foods, and have the opportunity to provide input at least annually in
